Evidence Intake Lockers

Designed to ensure deposited evidence remains within the "Chain of Custody" until removed and processed into the property room by authorized personnel.

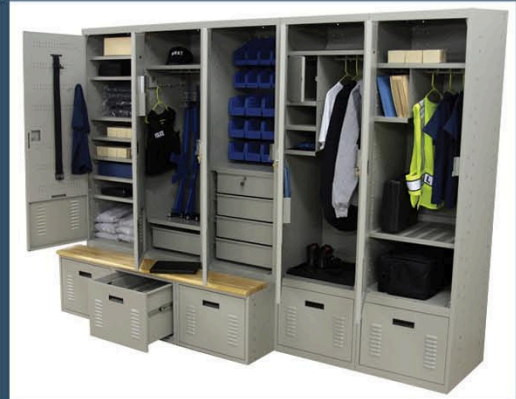

Heavy-Duty Personnel Lockers

Heavy-duty high quality lockers are designed with the professional in mind. Great for doctors, police, and other professionals.

Refrigerated Evidence Lockers

Refrigerator Evidence Lockers insure that DNA, rape kits, and other refrigerated evidence are kept safe and secure.

Personnel Duty & SWAT Lockers

Heavy-duty welded lockers with special high security hinges. Locker interiors are designed specifically for law enforcement and SWAT Team use.

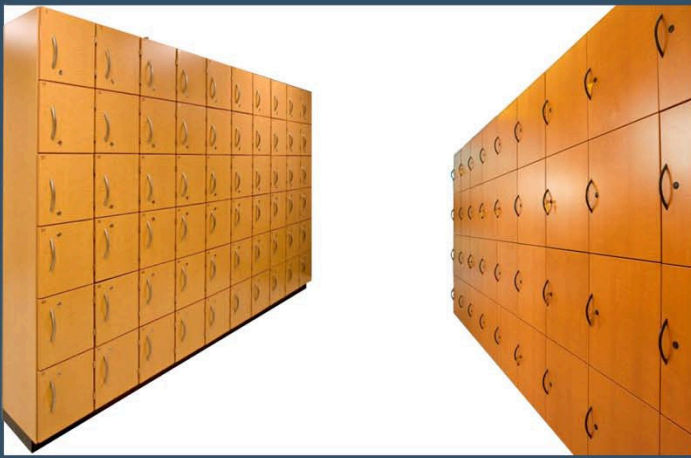

Shelving Storage Lockers

One-piece tambour doors up to 12' wide adapts onto your existing shelving. Optional powered doors with remote control operation are available.

Weapon & Gun Lockers

Organize and secure your long arm, pistols and other weapons in the same cabinet. Save space and prevent unauthorized access of weapons.

Small Individual Lockers

Also known as cubbies. Available with key lock, combination lock, or hasp lock. Cubbies allow every staff member to have a private locker. Great for breakrooms.

Country Club Golf Lockers

Constructed of real wood with complete functionality and aesthetically pleasing country club image. Built for a lifetime of usage with a prestigious club.

Executive Lockers

Available in real wood or laminate with durable metal bases for moisture protection. Top of the line lockers with many options and backed by a lifetime warranty. Finest locker made.

Athletic Lockers

Build to suit lockers designed for team locker rooms. Individual lockable areas for personal items with open storage space for equipment managers to complete stocking.

Workroom Lockers

Workroom lockers are durable to withstand heavy usage while providing the aesthetics of the country club lockers. Great for labs and healthcare facilities.
