The Med Lock Box

The Med Lock Box is a convenient way to secure medications or personal patient items. It also can be an avenue to pre-fill medication for individual cases as in Anesthesia, Respiratory or other procedures. With the push-button lock there are no keys necessary.

Features:

- Stackable for easy refilling and transporting
- Med Lock Box allows maximum storage capacity, no wasted space
- Durable thick PVC construction
- Opaque to keep items out of view

Select SERIES Features

The Select Series is our newest premium line of carts and accessories. Select Series Carts have dual pull out side shelves with ball bearing slides. Corner extrusions made of strong extruded aluminum and accessory mounting panels eliminate the need for holes in the sides and back of these carts. Other features include deluxe drawer pulls, each with a convenient area for a label and a large area at the top front for identifying the cart. Select Series Carts are available in Steel or E-Z Push Aluminum.

Look for the Select Series logo throughout the catalog. These products are designed to fit any cart in this line.

TERMS

Terms of Sale

- NET 30 to established accounts
- All prices are in US Dollars.
- Service and Handling charges are not refundable.
- Delinquent accounts will be charged an annual rate of 18%.

Pricing

- Quotes are firm for 30 days from date of issue.
- Prices are subject to change without notice, due to price increases that we receive w/o notice from our vendors.
- Assembly is not included in price

- Prices are for each, pair, package, etc., as marked.

Returned Goods

- All returned goods require a pre-approved Return Merchandise Authorization Number, to be issued by our Customer Service Department.
- All goods must be returned unused and in resalable condition.
- All goods must be in their original packaging, (with no writing, stickers or markings on the materials or cartons) and, where applicable, with an outer carton used for return shipping, to protect the merchandise.

- All goods must be returned within 30 days of authorization.
- All goods must be returned freight prepaid via traceable means, unless previous authorization is given.
- A 35% inspection, repackaging and re-stocking fee will apply.

All returned goods are inspected before credit is issued. If we reject the goods upon inspection, in whole or in part, you will be notified.

Damaged Goods

- Inspect all packages careful and note any carton damage (i.e. torn, dented, hole) on delivery receipt or bill of lading prior to

signing your name. If there is excessive damage to cart packaging, OPEN and inspect the cart immediately, prior to accepting the cart. If the cart is damaged, REFUSE the cart and notify our Customer Service Department.

- In the case of Concealed Damage, DO NOT DISCARD PACKAGING or move product from receiving area. Call Customer Service immediately.
- You may be asked to take and send pictures of both the damage and packaging, so our company can file a freight claim with the carrier.

Quality Features... Strength and versatility in every cart.

Locking Options

- Key locking
- Mechanical push-button with key override
- Electronic with key override
- Breakaway lock bar
